Approval of the August 28, 2020 Minutes

The August 28, 2020 minutes were motioned by John Fitzsimmons and seconded by Sam Byington. The committee approved them unanimously.

Academic Dishonesty Policy Update

The Academic Dishonesty Policy has been renamed Academic Dishonesty Regulations. The motion has been approved by Senate and leadership and will be published in the catalog.

GELO/Passport recruitment

The GELO Taskforce is looking for more members. The deadline to join the passport is December 31. Melissa suggests contacting the departments and units to get more members. Mark recommended to notify the departments. Jinger asked Katie Kolbet to advertise through the Curriculum Review Committee. Sam will recruit at Edison.

Review of PUR Rubric

The Rubric has been shown to different departments and improves more every year. Chair Doe made text edits in colored font to the rubric based on feedback from today's meeting. Positive things that have come from the PUR's are more frequent class offerings for courses that were otherwise offered once a year and ensuring the use of accessibility checkers.

Meeting adjourned: 10:29 a.m.
