

# CONSORTIUM AGREEMENT (2024-2025)

7000 Dandini Blvd., RDMT 315, Reno, NV 89512 | FAX: (775) 674-7566

General Information: Financial aid cannot be received from two different institutions concurrently; therefore, the student must select the one school from which aid is to be administered. This is the HOME institution where the student has enrolled for the majority of coursework and from which he/she expects to receive a degree.

If you are pursuing a degree or certificate at TMCC and find it necessary to take courses at another college or university (HOST institution), you may qualify under this consortium agreement to count your enrollment at the HOST institution toward your financial aid enrollment level. You must be enrolled in at least six credit hours at TMCC during the semester for which you are requesting funding. These courses must be required for your declared major. The courses taken at the HOST institution must transfer to TMCC and apply towards your degree or certificate program at TMCC.

NOTE: This agreement does not include Millennium Scholarships, Silver State Opportunity Grant, and some TMCC grants and scholarships.

It is your responsibility to complete this form, including obtaining a TMCC academic advisor's signature and submitting the form to the TMCC Financial Aid Office. It is also your responsibility to follow up with both institutions to ensure that your request has been processed. You must complete a new form each semester.
