New Business

Earth Day Event: The Earth Day event with the Sustainability Champions on April 20 has dominated the discussions over the past few months and we are now preparing for the event. The members of the committee have done a spectacular job contacting businesses who would like to participate. At least six organizations and business have signed up. Members of the Learning Commons Committee and Sustainability Champions will be on be in Red Mountain Building to help organize. Come one, come all!

Surprise Visit: Neil Siegel made a surprise visit to the LCC meeting on the 7th and tossed out an interesting project for next year – a panel discussion on information and disinformation through library sources. We need to do some research and flesh it out but the committee believes it would be an interesting project for next year.

Next meeting: Fall, 3:30-4:30 p.m. via Zoom

Meeting adjourned: 4:30 p.m.
