

Golf Course Management

Associate of Applied Science

This program of study will prepare the student who is interested in the management of golf course greens, tees and other landscape areas. Courses that are taken in this program prepare a student to become an assistant superintendent on a golf course, in the landscape maintenance field, turfgrass farm or other horticulture endeavors. The emphasis within this curriculum is on plants, how they grow, their maintenance, disease prevention and mitigation, along with personnel management skills and techniques.
