

Dietetic Degree

Associate of Science

This is a two-year transferable program leading to an associate of science with an emphasis in dietetics. The curriculum includes a core of courses in the nutritional, biological and physical sciences, and mathematics. All courses recommended will partially satisfy the bachelor of science in clinical dietetics at the University of Nevada, Reno.

Degree Outcomes

Student completing the degree will:

- Demonstrate a basic knowledge of nutrition, science, and math that comprise the integral foundations applicable to a four-year degree in nutrition.
- Synthesize and apply nutrition principles in a variety of didactic settings.
