Total Course Requirements 36.5 Credits

Electives

Electives 3
45 hours of additional program-approved workshops, classes and seminars. Check the class schedule for offerings.

Total Electives 3 Credits

Please note: the massage courses do not lead to TMCC associate of arts, associate of science or associate of applied science degrees or certificates of achievement. Credits earned in many WDCE "C" courses may be considered nontraditional and must be approved by the vice president for academic affairs in order to be applied to the general studies associate degree or certificate. Also "C" classes may not be counted for financial aid credit requirements.

Suggested Course Sequence

Sequence designed for a full-time student.
