

# Graduate Outcomes Survey

TRUCKEE MEADOWS COMMUNITY COLLEGE  
2006-07 Graduates

## INTRODUCTION

This survey was designed to gather information regarding the educational experiences of TMCC graduates. The intent of the survey is to assess the satisfaction of graduates and their educational experience at TMCC. Questions were designed to elicit information related to general instruction, educational atmosphere, technology-oriented education, degree-related employment, and college services. The Graduate Outcomes Survey is an annual questionnaire distributed to all TMCC students receiving degrees and certificates.

## METHODOLOGY

**Population:** The target population for this survey was all students graduating from TMCC in Fall 2006, Spring 2007, and Summer 07. This cohort of 2006-07 graduates was made up of 683 students. From this group of graduates, 301 usable surveys were returned, producing a 44% response rate.

**Instrumentation & Procedure:** The survey was designed as a two-paged scannable questionnaire consisting of fifty questions. The Admissions and Records Office distributed surveys to all students applying for graduation.
