

Graduate Outcomes Survey

TRUCKEE MEADOWS COMMUNITY COLLEGE
2007-08 Graduates

INTRODUCTION

This survey was designed to gather information regarding the educational experiences of TMCC graduates. The intent of the survey is to assess the satisfaction of graduates and their educational experience at TMCC. Questions were designed to elicit information related to general instruction, educational atmosphere, technology-oriented education, degree-related employment, and college services. The General Education Section of the survey instrument was changed this year to reflect the changes to TMCC student learning objectives. The Graduate Outcomes Survey is an annual questionnaire distributed to all TMCC students receiving degrees and certificates.

METHODOLOGY

Population: The target population for this survey was all students graduating from TMCC in Fall 2007, Spring 2008, and Summer 08. This cohort of 2007-08 graduates was made up of 667 students. From this group of graduates, 558 usable surveys were returned, producing an 84% response rate.

Instrumentation & Procedure: The survey was designed as a two-paged scannable questionnaire consisting of fifty questions. The Admissions and Records Office distributed surveys to all students applying for graduation.
