

A message from Professional Development Office and Center for Teaching and Learning for TMCC Faculty and Staff:

Truckee Meadows Community College is a member of NISOD, the National Institute for Staff & Organizational Development. You have access to the webinars and publications of NISOD, including archived webinars and weekly *Innovations Abstracts* and the monthly *Hook'em Up* newsletter.

If you would like access to these resources please go to <http://www.nisod.org/password/index.html> to access the webinars and publications. Access is by username and password:

Username: member

Password: nisod365

We hope you enjoy the NISOD materials. NISOD has been serving, engaging and inspiring higher education faculty and staff since 1978 and has a wealth of materials available.

Professional Development Office/Center for Teaching and Learning
