Request is for (Term): \_\_\_\_\_ (Year): \_\_\_\_\_ (Number of Credits): \_\_\_\_\_

I request that the Re-Entry Center pay my tuition fees for the following reason:

I have applied for Pell and have been *denied* assistance for this term because:

- I am on Financial Aid *Suspension* (Failed Appeal) <sup>1</sup>
- I was determined to be over-income (Attach documentation of current need) <sup>2</sup>
- I have a defaulted student loan <sup>1</sup>
- I have an advanced degree already
- I have exceeded the 150% rule (too many credits at Com. College level)
- Other: (specify) \_\_\_\_\_

Pell will not cover \_\_\_\_\_ credits, because:

- I am on an *Appeal* with the FA office<sup>1</sup>
- I have used my entire Pell allotment (24 credits) for this school year
- Financial aid is not offered for the classes /workshops I am taking
- I am taking an overload of credits this term & need help with the cost
- Other (specify): \_\_\_\_\_

*1 I understand that, in the case of Defaulted Student Loans, Financial Aid Suspension, or Appeal, it is my responsibility to work toward the positive resolution of such obstacles during this term.*

*2 If you have been denied Pell Grant due to excessive income, you will need to provide documentation to Re-Entry proving that your current situation demonstrates significant financial need.*
