**Information Literacy Rubric (first read):**

Katie noted flexibility is needed for the instructors since not all courses are doing research papers. Please send any comments to Katie

**Communications GELO Taskforce:**

Katie made a request to have CRC members with communications courses on this taskforce.

**General Education Review Subcommittee:**

This subcommittee is down to two people and needs members from CRC on it.

**Changes that did not require full CRC approval:**

On 1/12/23 the state of Nevada revised the entry requirements for paramedic programs. Now all students are required to be EMT. As this was effective immediately, I authorized the changes to the AAS, Prehospital Emergency Medicine and CoA, Paramedic programs.

**Committee Bylaws Review:**

Katie is soliciting any suggestions for changes to the CRC's charges.

"Melissa suggested to make "articulation officer" plural to officers since there are areas of articulation handled by others.

**Other:**

Katie is working on internship info for upcoming meetings.

Melissa mentioned UNR is evaluating their Core 9 Objective and needs more ethics for their Core Objective 12. These could be potential opportunities for TMCC Courses.

The next due date for submissions is February 17, 2023.
