<p>April 8, 2022</p>	<p>To approve the Academic Calendar.</p>	<p>Passed with 26 ayes.</p>	<p>Signed by V. Irintcheva. Signed as motion received/acknowledged by VPAA Alexander and VPSD Gutierrez. Signed by ASA Chair J. Doe. Signed by Dr. H as motion received acknowledged.</p>	<p>The calendar was approved in the ASA Committee on March 25, 2022 and approved at the Faculty Senate April 8, 2022. <p>April 8, 2022</p>	<p><b>Original Motion: "To implement a mid-year check-in meeting only in instances where the dean believes that the agreed upon annual plan performance rating might not be met. To provide 2 check boxes; issues or no issues. Attached documentation is required when issues are found. Have evaluation training provided to the deans."</b></p> <p>This generated a hearty discussion. Questions and concerns were where the check boxes would be located and which form, where would the documentation would be attached, how would the dean would be notified if there were issues, whether or not there would be an increased workload for department chairs, issues can appear or disappear throughout the year, when would the mid-year meeting would occur, potential NFA Contract issues, not everyone wants or needs a meeting, and the tone of the resolution implies that the meeting would be a negative experience.</p> <p>An amendment was suggested by Chair-Elect Amy Cavanaugh: "To add a check-box to the section of the Annual Plan titled "Annual Plan Approval/Signatures." The check box options would be "The Dean has no issues with the Annual Plan at this time." Or "The Dean has issues with the Annual Plan, see attached documentation." This proposal did not gain traction.</p> <p>The second suggestion Chair-Elect Amy Cavanaugh had was to suggest a motion that the dean should reach out to the faculty member to discuss those concerns.</p> <p>Due to the discussion, concerns, and questions this motion generated, <b>Chair-Elect Amy Cavanaugh moved and Karen Wikander seconded to refer the motion back to committee. The motion passed with 24 ayes.</b></p>	<p>Passed with 24 ayes.</p>	<p>Signed by V. Irintcheva and M. Giren-Navarro.</p>	<p>The Professional Standards Committee will continue to work on this motion. Motion complete.</p>
<p>April 8, 2022</p>	<p>Whereas the most recent Equity Salary Study completed by TMCC was in 2017 by Ulibarri-Mason Global HR LP. Whereas the NSHE Procedures and Guidelines Manual – Chapter 3 – Section 3.3.d establishes "Each institution shall adopt an Equity Salary Adjustment Plan agreed upon by the faculty senate and the president. The Plan must include but is not limited to the following:</p> <ol style="list-style-type: none"> <li>1. Providing for an initial and thereafter, biannual review of the salaries of academic faculty to determine whether a faculty member's salary is appropriate as compared to the salaries of other faculty at the institution based upon years of experience and educational attainment.</li> <li>2. Identify institutional resources to fund equity adjustments.</li> <li>3. Providing for appropriate adjustment of salaries which may be phased-in incrementally depending on funding resources.</li> <li>4. The salary equity study may be performed by institution personnel or the institution may hire an outside consultant as agreed upon by the president and the faculty senate.</li> <li>5. The results of an equity study shall be provided to the faculty senate.</li> <li>6. A faculty member may request an equity review of his or her salary.</li> <li>7. Reporting annually to the Board of Regents regarding the progress made in implementing salary equity adjustments identified in an equity study."</li> </ol> <p>Whereas a 6-year gap in Equity Salary Adjustments is expected to create significant compression and inversion inequities in TMCC Faculty Salaries.</p>	<p>Passed with 24 ayes.</p>	<p>Signed by V. Irintcheva. Signed as motion received/acknowledged by VPAA Alexander and Interim Executive Director of Finance E. Bunkowski. Signed by SBBC Chair M. Leathen.
