Item 1: Approval of February Minutes

- Minutes are good to go from February. No changes necessary.

Item 2: Academic Lifecycle Replacement

- Lifecycle replacement will begin on May 17th and be completed by August 16th.
- All new student stations will have integrated webcams.

Item 3: IT Projects across campus

- Counseling will move to the first floor of RDMT. Two chemistry labs will replace the old counseling center. This will begin in September/October of this year.
- Microwave antennas will be replaced. These are in place in case the fiber network between the different campuses goes down.
- New WiFi system is going to be replaced across all campuses.
- The New Application for Admission is still in the testing process and will be mobile friendly, accessible and interactive.
- Major Software renewals were done on the Academic Side for this year.
- The Testing Center will get new servers.
