

The image is a map showing a building labeled "William N. Pennington Applied Technology Center". The building is a white rectangle with a yellow dashed border, situated between "Energy Way" and "Edison Way". "Energy Way" runs diagonally from the bottom-left towards the top-right. "Edison Way" runs diagonally from the top-right towards the bottom-left. A red hexagonal marker is located on "Energy Way" to the left of the building. A red line with arrows connects the hexagon to the building, indicating a path or relationship. The text "William N. Pennington Applied Technology Center" is centered within the building's outline.
