Career Champion Program Update

The ceremony went well and Sidney was told it was a real "up" to have a celebration.

Sidney is able to do a survey in November and will bring proposed dates for the ceremony likely via Zoom. Amber will assist with certificates.

Operation Fun and Fresh Air - Michael

Michael will continue to keep in touch with Rebecca and Tina about Operation Fun and Fresh Air ideas. Kickin it with Mighty had to be cancelled due to air quality and concerns surrounding COVID. A gratitude tree and a volunteer event were discussed for November. Michael is working on ideas and logistics to have trees at all campus locations.

The committee discussed using A-frame, rolling boards for ease of placement and who the contacts are at each campus location. Sidney Sullivan can assist at Edison, Camille at Meadowood, Amber K. and Manuela at Redfield, and YeVonne at Dandini.

Professional of the Month

The POM certificates are caught up from last year. Amber will check to ensure April's winner has a certificate. Basket volunteers are Erin for August and Viola for September. An email for nominations will be sent soon.
