- Is currently enrolled at TMCC or any NSHE institution for six or more credits. Audits and Community Services classes cannot be considered.

A student is eligible to be on student employment without "student status" (*not FICA exempt*) if he/she:

Students may work during the summer without being enrolled if they were enrolled in the preceding spring term for six or more credits with a minimum cumulative GPA of 2.0, or are already enrolled in the following fall term for six or more credits with a minimum cumulative GPA of 2.0 (the GPA requirement is waived for students new to TMCC).
