

Help employees add and maintain wireless discounts.

Dear Employee Program Manager,

Thank you for your continued business with Verizon Wireless. As part of your company's agreement for service with us, your employees qualify for monthly discounts on their personal Verizon Wireless accounts. Below we've detailed options to register for this discount or, if requested, to periodically validate their current employment.

Please note that we will periodically request employees to confirm their eligibility by asking them to validate their current employment. This will ensure they are still eligible to receive this benefit. When we request employees to validate their current employment, this effort applies to all customers that receive employee discounts. This effort is not focused on your company alone.

Employees Discount

18%

Discount applies to most voice and data plans with a monthly access fee of \$34.99 or higher. Monthly Line Access Fees are not eligible for discounts. Features \$24.99 or higher may be eligible for discounts. See plan details for more information.
