The tenure probationary committee must meet with the probationary faculty member at least once each semester. The probationary faculty member will be observed in the performance of the major job task by a member of the probationary committee at least once each semester. The probationary faculty member shall submit, each semester for inclusion in the probationary committee's report, documentation of achievement relating to the standards outlined in the NSHE Code, Chapter 4.

5. **Standards for Recommending Appointment with Tenure.** An academic faculty member being recommended for tenure must receive an "excellent" rating in one of the following areas, whichever is applicable:

5.1 If employed primarily as an instructor, a record of effectiveness as a teacher including, but not limited to, demonstrated teaching competence and efficiency in a classroom, laboratory, and/or clinical setting, the ability to communicate effectively with students and demonstrated skill in handling classroom and other duties related to teaching. Such a record may include, for example, a showing of the ability to impart knowledge, to excite students' interest in the subject matter and to evoke response in students.

5.2 If employed primarily as a member of the academic faculty whose role does not include instruction, a record of effectiveness, efficiency and ability to perform assigned duties.

In addition, an academic faculty member being recommended for tenure must receive a "satisfactory" rating or better in the area of service, which may include, but not be limited to:

- a. Interest and ability in advising students;
- b. Membership and participation in professional organizations;
- c. Ability to work with the faculty and students of the member institution in the best interest of the academic community and the people it serves, and to the extent that the job performance of the academic faculty member's administrative unit may not be otherwise adversely affected;

# Truckee Meadows Community College Bylaws

The burden of demonstrating that these standards have been met lies with the applicant for tenure.

- 5.3 In rating applicants for tenure under the standards set forth in this subsection, the College shall rate applicants as (i) "excellent," (ii) "commendable," (iii) "satisfactory," or (iv) "unsatisfactory." No other rating terminology shall be permitted. The standards and ratings set forth in this subsection are the minimum standards, which must be used in recommending academic faculty for tenure.
- 5.4 Recommendation for Tenure Action. Before the end of the probationary period, upon application by the probationary faculty member, and upon receipt of evaluation reports from both the tenure probationary committee and the head of the administrative unit in which the probationary faculty member serves, the unit administrator shall make a recommendation whether the faculty member should receive tenure. If the recommendation is to grant an appointment with tenure and the President agrees with the submitted recommendation, the President's recommendation and the tenure forms shall be transmitted by the President to the Board of Regents for their decision.

- 6. **Responsibility of the Administration.** The failure to follow the provisions of this section shall not prejudice responsible officials of TMCC from acting to evaluate a faculty member for tenure consideration in accordance with the procedures and standards for tenure authorized by the NSHE Code.

During that period of time, the administrator shall be reassigned to duties within TMCC. Nothing in this section shall be interpreted as abrogating the notice of nonreappointment provisions.

## Section I. Evaluations

- 1. **Classified Staff.** Rules governing the evaluation of Classified staff are listed in NRS 284 and NAC 284. TMCC follows the policies and procedures set forth in those documents.
- 2. **Administrative Faculty.** The performance of administrative faculty will be reviewed annually in accordance with the NSHE Code, Title 2, Chapter 5, Section 5.12. The appraisal process promotes and supports appropriate management and leadership skills and assures that administrators have goals, which are in line with the overarching goals of TMCC. Procedures for evaluation of administrative faculty are provided on the TMCC Human Resources website.

# Truckee Meadows Community College Bylaws

2.1 In addition to the annual administrative faculty evaluations of deans, vice presidents and other administrators who supervise academic faculty, a performance survey, sent to all faculty and classified staff supervised by the administrator, will be conducted by the Faculty Senate every two years. The survey results shall be compiled by the employee's supervisor. The compiled results of the survey will become part of the annual evaluation of the administrator and will include input from faculty and classified staff supervised by the administrator. The supervisor will also notify the Faculty Senate Chair (in writing) that the survey results were a part of the administrator's evaluation.

3. **Academic Faculty.** The NSHE Code mandates that faculty be evaluated at least once annually. The faculty evaluation process is outlined in the TMCC-NFA Contract.

## Section J. Merit Awards

### 1. Eligibility for merit awards

- 1.1 Academic and Administrative Faculty shall be eligible to be considered for merit awards during fiscal years when a merit pool appropriation is provided (NSHE Code, Chapter 3).
- 1.2 Academic and Administrative Faculty with full time regular contracts, both tenured and tenure track, shall be eligible to be considered for merit awards. Faculty holding a Rank 0 contract shall be eligible to be considered for merit awards. Faculty who are grant funded, and whose grants include funding for merit pay for that faculty member, shall be eligible to be considered for merit pay. All other temporary one-year and half-year contracted faculty shall not be eligible for merit awards.
- 1.3 Academic and Administrative faculty who begin employment after December 31 of the applicable year shall not be eligible to be considered for merit awards for that year. The applicable year is defined as the year that starts on July 1st and ends on June 30 of the year immediately prior to the fiscal year in which the merit award is disbursed.
- 1.4 Awards of merit for administrative faculty shall be based on the overall rating received by the faculty member on the Administrative Faculty Performance Review – Form "A" for the applicable year.
- 1.5 Awards of merit for academic faculty shall be based on the overall rating received by the faculty member in the annual evaluation process as defined by Article 12 of the TMCC-NFA contract for the applicable year.
- 1.6 Academic and administrative faculty must receive a "commendable" or "excellent" overall rating on their annual evaluation for the applicable year to be eligible for consideration for merit awards.
- 1.7 Faculty who do not participate in the evaluation process for the applicable year shall not be eligible to be considered for merit award for that year.
- 1.8 Faculty on leave without pay for more than one half of their contract period of the applicable year shall not be eligible to be considered for merit award for that year.
- 1.9 Academic Faculty on sabbatical for the applicable year shall be eligible to be considered for merit awards for that year.
- 1.10 Merit awards shall be added to the base salary for all faculty.

### 2. Distribution of merit awards

- 2.1 The amount of merit pay award for each faculty member shall be determined by that faculty member's overall annual evaluation rating for the applicable year.

# Truckee Meadows Community College Bylaws

- 2.2 Evaluations shall be completed by May 1st of the year in which the associated merit award is being distributed.
- 2.3 Merit awards shall be distributed only to eligible faculty members who receive a "commendable" or "excellent" overall rating on their annual evaluation.
- 2.4 Merit pay awards shall be distributed to eligible faculty by a "3-4-5-6" distribution plan. Under this plan there will be four levels of merit pay awarded with each tied to an evaluation rating score. The lowest level award will be equivalent to three-sixths (3/6) of the highest level award. The second level award will be equivalent to four-sixths (4/6) of the highest level award, and the third level will be equivalent to five-sixths (5/6) of the highest level award.
- 2.5 Faculty who receive an overall "commendable" evaluation rating shall receive either a three-sixths (3/6) award for a "commendable 1" rating, or a four-sixths (4/6) award for a "commendable 2" rating. Faculty who receive an overall "excellent" evaluation rating shall receive either a five-sixths (5/6) award for "excellent 1" or six-sixths (6/6 - highest level) award for "excellent 2".
- 2.6 The highest level merit pay award amount will be determined by dividing the pool of merit money appropriated to TMCC for eligible academic and administrative faculty by the sum of all of the awards given in each rating level multiplied by the corresponding fraction for that award rating.

*Example:*

There are 300 total eligible faculty and a merit appropriation of \$400,000.

Faculty evaluation ratings earned:

excellent 2 (6/6):	69 faculty
excellent 1 (5/6):	90 faculty
commendable 2 (4/6):	72 faculty
commendable 1 (3/6):	54 faculty
satisfactory:	12 faculty
unsatisfactory:	3 faculty
	<b>300 total faculty</b>

The highest award  $m$  would be calculated:

$$\begin{aligned} \$400,000 &= (69 \times 6/6m) + (90 \times 5/6m) + (72 \times 4/6m) + (54 \times 3/6m) \\ \$400,000 &= (69 + 75 + 48 + 27)m \\ m &= \$1,826.48 \end{aligned}$$

Thus the merit awards for each rating would be:

excellent 2 (6/6 of \$1,826.48):	\$1,826.48
excellent 1 (5/6 of \$1,826.48):	\$1,522.07
commendable 2 (4/6 of \$1,826.48):	\$1,217.66
commendable 1 (3/6 of \$1,826.48):	\$913.24
satisfactory:	\$0
unsatisfactory:	\$0

### 3. Appeal of evaluation for merit award

- 3.1 Evaluation ratings that affect merit awards may be appealed by the faculty member under this section or under the NFA contract, Article 13, whichever is applicable. Evaluation appeals for an overall "unsatisfactory" rating may follow the procedures in Section K. Unsatisfactory Evaluation Review.

# Truckee Meadows Community College Bylaws

- 3.2 If a faculty member wishes to appeal an evaluation rating that affects their merit award, he/she shall seek a meeting with the evaluator and shall contact the evaluator within ten (10) working days of the receipt of the evaluation report to request such a meeting.
- 3.3 The evaluator shall meet with the faculty member and issue a written determination and deliver it to the faculty member within ten (10) working days of the meeting request, stating if the evaluation rating shall be maintained or modified.
- 3.4 If the faculty member is not satisfied with the results of the meeting with the evaluator, the faculty member may request a review of the evaluation by a Merit Award Appeals Committee (MAAC). There shall be an academic MAAC and an administrative MAAC, to review evaluations of the respective faculty. The Merit Award Appeals Committees shall be comprised of three (3) faculty members appointed by the Faculty Senate, and cannot include the affected faculty member. The academic MAAC shall have at least two academic faculty members, and the administrative MAAC shall have at least two administrative faculty members. The MAAC shall review cases and issue a written statement within ten (10) working days of the faculty member's request.
- 3.5 The written statements produced by the evaluator and the MAAC will be reviewed by the appropriate Vice President or senior staff member in a timely manner. For academic faculty the Vice President of Academic Affairs shall be the reviewer. For administrative faculty the appropriate senior staff member as determined by the president shall be the reviewer. The decision from the reviewer shall be final and cannot be further appealed and shall become a part of the evaluation documentation.
- 3.6 The appeals process shall be finalized by June 26 of the year in which the associated merit award is being distributed.

## Section K. Unsatisfactory Evaluation Review

1. **Initiation of Unsatisfactory Evaluation Review.** NSHE Code mandates a hearing to determine whether a faculty member with tenure should be retained in employment after receiving an unsatisfactory rating in the faculty member's principal employment responsibilities for two consecutive years. Therefore, the College, cognizant of its responsibilities toward tenured faculty, shall initiate an evaluation review after the first unsatisfactory rating in an annual performance evaluation for any tenured faculty member. The purpose of the evaluation review shall be two-fold: (1) to provide for the faculty member help in regaining a level of performance that will result in a positive annual performance evaluation, and (2) to forward to the President of the College an independent report of the faculty member's performance. The following procedures shall be used:
2. **Faculty Support Committee.** Upon receipt of a first unsatisfactory annual performance evaluation, in conformance with the TMCC-NFA Contract, the evaluator may, with the agreement of the faculty member, create a committee for the purpose of working with the faculty member to improve his or her performance. The faculty member shall choose one member of the committee; the evaluator shall choose another member. The two members of the committee thus chosen shall meet and choose a third member for the committee from an instructional discipline similar to the faculty member's. All members of the faculty support committee shall be tenured faculty.
3. **Faculty Support Committee Responsibilities.** The Faculty Support Committee shall meet with the head of the evaluator for the purpose of determining the basis for the unsatisfactory evaluation. The committee, with the cooperation of the evaluator, will prepare objectives to be met by the faculty member in regaining a satisfactory level of job performance.
  - 3.1 The Faculty Support Committee shall then meet with the faculty member for the purpose of preparing a plan to meet the objectives the committee has developed. The faculty member shall be given the opportunity to suggest revisions in the objectives, and the committee shall decide whether these are appropriate. The plan will then be recommended to the evaluator for approval.

A copy of the Faculty Support Committee's report shall be made available to the faculty member under review.

4.1 The Dean shall prepare the faculty member's evaluation, taking into account the report of the Faculty Support Committee.

Failure at any step of this procedure to appeal a response to the next step shall be deemed an acceptance of the response.
