

MEETING MINUTES FOR SEP. 16, 2022

In attendance:

Cheryl Jones, Cal Anderson, Douglass Dawson, Dallin Crane, Raymond Joakimson, Alyssa Mort, Chris Quantrell, Martin Santos, Izumi Shibasaki, Kyle Smith

Item 1: OnGuard

- IT rolled out Clearpass OnGuard to better secure network access.
- Lessons were learned about the timing of implementation
- Faculty committee members did not notice much of an issue after the first week of use.

Item 2: Cyber-Security Insurance/ Training

- NSHE, as a whole, is focusing on strengthening cyber security.
- NSHE is hiring a consultant to investigate the NSHE institution's security practices.
- TMCC is looking to renew its cybersecurity insurance, but specific measures must be taken to proceed.
- I.T. is highly recommending multi-factor authentication for logging into TMCC services and systems.
- The committee will work on developing a mandatory cyber-security training policy.

Item 3: Update on EPY iPad Program

- The pilot program has concluded, and I.T. is now facilitating the return of the devices.
- Most of the devices have been returned, and all remaining devices are now placed into a locked mode to encourage them to return to I.T.

Item 4: Misc. & Open Discussion

- Committee members discussed the participation of this committee
- Attendance is light due to many previous members leaving.
- The committee is now seeking out new faculty to join us.

The committee will meet again in person Friday, Oct. 14, from 11 a.m.–Noon in RDMT 214
